

# Join the fight against cuts!

The government is trying to make cuts to lots of services for people with a learning disability.

Making cuts means they will spend less money on things like social services or benefits.

Come along to Mencap's Big Cuts event.

# Come along to Mencap's Big Cuts event

Come and give your support

Do you have a learning disability?

Do you care for or work with someone who does?

Come to one of our events and find out

- about the cuts to learning disability services where you live
- how they will affect you
- how you can help us fight the cuts.

A lawyer called Professor Luke Clements will be at the events to tell you what support you can get and what rights you have.

If you would like to talk about any changes to the support you get, there will also be a few free private meetings available with Professor Luke Clements.
